Allen Insurance and Financial, an independent agency providing insurance and financial planning services, has offices in Rockland, Camden and SouthwestHarbor.

Weekly Market Summary – 2/28/13

The yield on the 10-year Treasury started this week where it ended the last, at 1.97 percent. Treasury investors don't seem to have been troubled by commentary from the most recent Federal Open Market Committee (FOMC) meeting, in which some members expressed concerns about continued asset purchasing. Weekly Market Summary – 2/19/13

The yield on the 10-year Treasury hovered around 2 percent for most of last week, with heavy auctions but little net new supply; it stood at 1.99 percent early Monday morning.

The S&P 500 Index maintained its momentum to log its seventh consecutive week of gains last week, although the pace of gains seems to be slowing and there are some early signs that the market might be running out of gas, especially as we approach the all-time high of 1,565.
